Capacity for 2021 (as of 3/23/21)

- Limit capacity to current Governor's Executive Orders 72, March 23, 2021
"Outdoor and indoor swimming pools may be open, provided occupancy is limited to no more than 75 percent of the lowest occupancy load on the certificate of occupancy and all swimmers maintain at least ten feet of physical distance from others who are not Family members..."
- Capacity will be limited to **32 patrons** inside the facility at a given time
- Capacity will be reassessed as Governor's Orders change conditions
- A **reservation system** (described further on) will be implemented to ensure access and minimize wait times

Managing Capacity 2021 and Beyond

To ensure Fairfax County residents will be able to access the facility, we will implement the following changes:

- While capacity is limited, no outside groups will be scheduled during operating hours (Exceptions may be made for GSCC Learn to Swim and GSCC camp groups, limited to 12 participants at off peak hours)
- After capacity is increased, no groups will be scheduled on weekends or between 4 and 7 pm on weekdays
- Grilling will no longer be allowed inside the MLK pool area

How to Make a Reservation

- Guests will call (703) 780-1912 during facility hours up to three days before to make reservations for the following week, and will call to cancel the same way
- Walk-ins will be accepted based on available space. We will begin with accepting 20 reservations per session, ensuring 12 walk in spaces for anyone unable to make reservations. These will be available on a first come basis
- Contact tracing cards will be filled out and filed per the FCHD for reservations and walk ins

Questions?

We know this is complicated – we're so sorry! We want most of all to have a wonderful summer and be OPEN again! To do so we have to keep everyone safe and allow access to as many Fairfax County and Gum Springs community residents as possible. How can we help make this easier?

Here's to a great
summer!
